

Addendum to Forest Land Response Agreement 12-238.

Helicopter Crew Member (HECM) and Helicopter Manager (HMGB) Training Detail agreement between DNR SE Region and Chelan County Fire District 1.

Chelan County Fire District 1 (CCFD1) will provide HECM(t) and/or HMGB(t) qualified staff for detail training assignments throughout the 2017 fire season. DNR will provide qualified HECM trainers and aircraft for these assignments. DNR will ensure that HECM tasks completed are documented in position task books, and that each detailed HECM (t) receives and evaluation for the assignment.

HECM(t) and/or HMGB(t) detailers from CCFD1 will remain employees of CCFD1 during these assignments. CCFD1 will be responsible for travel time between Chelan and Ellensburg and base 8 compensation when the aircraft is not assigned to an incident.

CCFD1 will provide all required PPE for firefighting and aviation missions.

DNR will reimburse CCFD1 for any time spent on wildfire incidents, both regular and overtime. DNR will provide meals and lodging as needed to support these individuals while detailed with DNR Helitack crews. Routine lodging is in the form of tent camping.

Crew Time Reports will be completed daily to document staging time and incident time.

Backfill will be reimbursed only when trainees are assigned to an incident. These hours must be documented on a Crew Time Report for these training assignments.

CCFD1 will invoice DNR monthly on Department letterhead. Copies of CTRs will be attached as supporting documentation.
