

Chelan/Douglas County

Master Gardener Program

WASHINGTON STATE UNIVERSITY
EXTENSION

Chelan County Fire District One is proud to partner with our area landscape professionals. The following people attended a *Fire Adapted Landscapes* training seminar taught by The WSU Master Gardener Program. The course material included fire behavior, fuel characteristics, the *Home Ignition Zone* concept, fire adapted plant characteristics, and proper defensible space practices.

Working together, we hope to make your home safer from wildfire.
